

**MRS. TAMMY'S
MUSIC THERAPY FOR KIDS**

Music Therapy for Kids

At Mrs. Tammy's Music Therapy, we believe in the power of music to heal, inspire, and empower children.

Every Saturday at Mrs. Tammy's your child will enjoy our evidence-based programs that are fun for children yet designed to enhance emotional, physical, and cognitive health, helping your children reach their full potential.

Summer Program Now Enrolling!

Join our summer music therapy sessions and experience the transformative power of music! Help your child grow, build confidence, and develop essential life skills in a joyful, interactive setting.

Call or email to sign up by June 31st to secure your spot in our summer program and empower your child to overcome modern challenges unique to their generation by embracing the power of free expression and music therapy.

Why Choose Us?

- Tailored programs to fit each child's unique needs.
- Expert therapists who stay current with industry research.
- Safe, fun, and supportive environment.
- Proven results in helping children overcome modern challenges

Key Benefits

- Emotional Growth: Music therapy helps children express their feelings in a safe, nurturing environment.
- Physical Development: Engaging in musical activities promotes motor skills and coordination.
- Cognitive Strength: Our sessions encourage creativity and problem-solving, boosting brain function.
- Social Skills: Children collaborate with peers, building strong communication and teamwork abilities. Learning inspired through use of games and prizes.
- Every child will flourish and create their own symphony of success.

Details - \$35 per class

Children should bring their own music to class and refreshments will be provided. Parents plan to pick up children on time.
